FIL - Summer - Cup 2019

INVITATION AND ANNOUNCEMENT

to the **Luge-Sparkassen-Cup 2019**

**Luge Track
„Wolfram Fiedler“
Ilmenau
Am Floßberg
6st & 7st September 2019**

Dear sports friends,

This year the **27th edition** of the FIL-Summer-Cup will take place at the luge track “Wolfram Fiedler” in Ilmenau.

Furthermore, it is important to us to have the possibility of a direct competition between top athletes and young athletes – which is unique in international luge. The aim is to give valuable experience and we would also like to make a contribution to maintaining the international luge family while being in a cozy atmosphere without nomination pressures.

As in previous years, there will be an **international training week from September 2nd until 5th, 2019** to which we would like to invite you and which we hope will be largely used.

We are looking forward to invite world-class athletes, the FIL-training group and talented young athletes to Ilmenau. You are welcome!

Competition mode

Dear sports friends, trainers and team managers,

in order to organize the competition in an attractive and exciting way for both athletes and visitors and in order to ensure a direct competition between top athletes and young athletes, the following competition mode will be applied:

Qualifying:

- Women and juniors (f) will be in the same age group.
- Men and juniors (m) will be in the same age group.
- After 3 mandatory training runs, 9 seeded athletes will be defined as follows in these age groups for the “Elite Run”:
 - With 3 different sleds.
 - The fastest time will be taken into account.
 - In addition to the 9 seeded athletes, the defending champion is automatically seeded.

KO-Runs of the residual group:

- All remaining athletes of these age groups will form the so-called “residual group”.
- The starting order of the “residual group” results from the placements of the qualifying (the fastest time will be chosen, 11th place against last place, 12th place against second last place, etc.).
- The competition in the “residual group” will be done in KO runs (following the procedure in the Challenge-Cup) just before the “Elite Run” – the 2 best athletes (each male and female) will be nominated for the “Elite Run”.

Elite Run:

- A maximum of 12 athletes will participate in the „Elite Run“ (the defending champion + 9 fastest athletes from the qualifying + 2 qualified athletes in each age group).
- The starting order in the “Elite Run” has been set like follows:
 - Starting numbers will be assigned according to the ranking after the qualifying – the fastest athletes will go last.
 - The defending champion, who did not participate in the mandatory training or who is not qualified as one of the 9 fastest athletes, will go first amongst the seeded athletes.
 - The qualified athletes from the “residual group” will go before the seeded athletes.

We are looking forward to an interesting and exciting competition, kindly ask you for your cooperation and wish you all a pleasant time in Ilmenau!
