Dear sports friends,

Naturally, this year sport, top athletes and young athletes are again the center of attention. Our aim is to give valuable experiences to young athletes and, last but not least, we want to contribute to the preservation of the international luge family in a cozy, stress-free atmosphere.

As in previous years, there will be an **international training week from August 28th until August 31th, 2023** to which we would like to invite you and which we hope will be largely used.

We are looking forward to invite world-class athletes, the FIL-training group and talented young athletes to Ilmenau. You are welcome!

FIL Summer Cup 2023 **Ilmenau 1st & 2nd September 2023**

Competition mode

Dear sports friends, trainers and team managers,

in order to organize the competition in an attractive and exciting way for both athletes and visitors and in order to ensure a direct competition between top athletes and young athletes, the following competition mode will be applied:

Qualifying:

- Women and juniors (f) will be in the same age group.
- Men and juniors (m) will be in the same age group.
- The starting order for the respective age group is estimated in a qualifying with 3 runs. The 9 fastest athletes and the cup winners of the previous year are set for the "Elite Run". The qualifying is carried out as follows:
 - 3 runs with 3 different sleds
 - The fastest time will be taken into account

KO-Runs of the residual group:

- All remaining athletes of these age groups will form the so-called "residual group".
- The starting order of the "residual group" results from the placements of the qualifying (the fastest time will be chosen, 11th place against last place, 12th place against second last place, etc.).
- The competition in the "residual group" will be done in KO runs (following the procedure in the Challenge-Cup) just before the "Elite Run" – the 2 best athletes (each male and female) will be nominated for the "Elite Run".

Elite Run:

- A maximum of 12 athletes will participate in the „Elite Run“ (the defending champion + 9 fastest athletes from the qualifying + 2 qualified athletes in each age group).
- The starting order in the "Elite Run" has been set like follows:
 - Starting numbers will be assigned according to the ranking after the qualifying – the fastest athletes will go last.
 - The defending champion, who did not qualified as one of the 9 fastest athletes, will go first amongst the seeded athletes.
 - The qualified athletes from the "residual group" will go before the seeded athletes.

We are looking forward to an interesting and exciting competition, kindly ask you for your cooperation and wish you all a pleasant time in Ilmenau!
